## Cloud 9 Vanilla Cupcakes

2 cups Cloud 9 All-Purpose Baking Mix  
2 tsp baking powder  
1/2 tsp salt  
4 tbsp butter  
1 cup milk  
1 tsp vanilla  
4 large eggs  
2 cups sugar

Preheat oven to 350°F. Line cupcake pans with approximately 18 paper liners.

Whisk together the Cloud 9 Baking Mix, baking powder, salt and set aside.  
Heat the milk and the butter in the microwave until the butter melts, stir in the vanilla. Set aside.

In a large mixing bowl, beat the eggs and the sugar together until pale and thick, about 6 minutes.

Now, fold some of the dry mixture into the eggs using a spatula.

Then do the same with some of the milk mixture. Continue mixing ingredients together this way, always begin and end with dry mixture.

Spoon batter into the paper cups until 2/3 full.

Bake until a toothpick inserted in the middle comes out clean, about 35 minutes.

Enjoy!
